

COMMISSION DELEGATED DECISION (EU) 2016/790**of 13 January 2016****amending Annex V to Directive 2005/36/EC of the European Parliament and of the Council as regards the evidence of formal qualifications and the titles of training courses***(notified under document C(2016) 1)***(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Directive 2005/36/EC of the European Parliament and of the Council of 7 September 2005 on the recognition of professional qualifications ⁽¹⁾, and in particular Article 21a(4) thereof,

Whereas:

- (1) Annex V to Directive 2005/36/EC contains lists of the evidence of formal qualifications of doctors, nurses responsible for general care, dental practitioners, veterinary surgeons, midwives, pharmacists and architects.
- (2) Several Member States have notified to the Commission of updates to legislative, regulatory and administrative provisions with regard to the issuing of evidence of formal qualifications of Doctor of Medicine, Nurse responsible for general care, Dentists, Veterinary Surgeons, Midwife, Pharmacist and Architect. The Commission considers that the notified legislative, regulatory and administrative provisions are in conformity with conditions set out in Chapter III of Title III of Directive 2005/36/EC. It is therefore necessary to update Annex V to Directive 2005/36/EC.
- (3) For reasons of clarity and legal certainty, it is necessary to replace all of the relevant points of Annex V to Directive 2005/36/EC on the evidence of formal qualifications and the titles of training courses.
- (4) Directive 2005/36/EC should therefore be amended accordingly,

HAS ADOPTED THIS DECISION:

Article 1

Annex V to Directive 2005/36/EC is amended in accordance with the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 13 January 2016.

For the Commission
