Additional information

Additional documents

If we need additional documents or information to evaluate your university degree, we will contact you by email. Please check your email regularly.

We reserve the right to ask you to submit original documents if necessary.

Photocopies

Only submit photocopies of your documents. You can make these photocopies yourself. The only original document we need is the application form with your original signature. Do not submit any other original documents unless we explicitly ask you to do so. We assume no liability for unsolicited original documents.

Make sure your photocopies are legible and complete.

Do not submit folders or plastic sheet protectors.

Translations

Only submit translations if they are listed in the checklist.

A degree is evaluated based on the documents in the original language, even if we ask for translations. Therefore, do not submit translations without submitting the documents in the original language as well.

Your documents can be translated in or outside of Germany as long as the translator is certified for the respective language, authorized, or publicly sworn. You can search for translators in Germany in the state administrations of justice's database of translators and interpreters (Dolmetscher- und Übersetzerdatenbank der Landesjustizverwaltungen).

We look forward to your application.
