

Statement of Comparability for university degrees from North Macedonia: Checklist

You can apply for a Statement of Comparability for the following degrees

- Bachelor
- Master
- Univerzitetska diploma
- Doktor

The ZAB can only issue a Statement of Comparability if your degree program and university were accredited at the time of your graduation.

The following degrees are not equivalent to a German bachelor's degree

With a standard duration of 2 or 2.5 years, the following degrees do not correspond to a German bachelor's degree. The ZAB can issue a Statement of Comparability for these degrees, but they correspond to a qualification from a German vocational school (Berufsfachschule).

- Više obrazovanje (VI/1 stepen)

We reserve the right to ask you to submit original documents if necessary.

Photocopies

Only submit photocopies of your documents. You can make these photocopies yourself. The only original document we need is the application form with your original signature.
