4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

State-certified business managers take on branch and functionally related activities and middle management tasks at major companies or in their capacity as self-employed entrepreneurs in the field of activity of trade and industry and at government bodies.

5. OFFICIAL BASIS OF THE CERTIFICATE

Name and status of the body awarding the certificate Public or state-recognised vocational school (Address see certificate).	Name and status of the national/regional authority providing accreditation/recognition of the certificate Highest education authority of the federal state (Ministry/Senate)
Level of the certificate (national or international) ISCED 2011: 655 DQR/EQF: 6	Grading scale/pass requirements 1 = excellent 2 = good 3 = average 4 = pass 5 = poor 6 = fail In order to pass the examination, an overall score of at least "pass" is required.
Access to the next level of education/training General access to higher education (in accordance with the Higher Education Act of the federal state)	International agreements -
Legal basis Ordinance on trade and technical schools/trade and technical academies of the respective federal state	

6. OFFICIALLY RECOGNISED WAYS OF ACQUIRING THE CERTIFICATE

State final examination:

1. following completion of training within the scope of the curriculum stipulated at a trade and technical school/ trade and technical academy or
2. following admission as a non-pupil by the education authority of the federal state.

Additional information

Entry requirements: completion of recognised and relevant vocational education and training pursuant to the Vocational Training Act/Crafts and Trades Regulation Code or in accordance with the regulations of the federal states and one year of relevant occupational activity
or
 completion of vocational school or of an equivalent level of education and relevant occupational activity of at least 5 years.

For the subject of housekeeping at the trade and technical school/trade and technical academy for industry and commerce, candidates also need to be in possession of an intermediate secondary school leaving certificate or an educational qualification recognised as equivalent.

Duration of training: at least 2 years (minimum of 2,400 teaching hours)

Educational aim: Trade and technical schools/trade and technical academies in the field of trade and industry are institutions which provide continuing vocational training. They qualify candidates for the assumption of management tasks and foster a willingness to enter self-employment. Trade and technical schools/trade and technical academies in the field of trade and industry offer a range of organisational forms of teaching (full-time or part-time basis) which lead to a post-secondary state vocational education and training qualification in accordance with federal state law.
